Applications

Anyone who is eligible and wants to apply for Options pursuant to the Offers will need to carefully consider the Prospectus and complete the application form attached to or accompanied by the Prospectus (**Application Form**). The *Corporations Act 2001* (Cth) prohibits any person from passing onto another person an Application Form unless it is attached to or accompanied by a complete and unaltered version of a prospectus.

The Company reserves the right not to accept an Application Form from a person if it has reason to believe that when that person was given access to the electronic Application Form, it was not provided together with the electronic Prospectus and any relevant supplementary or replacement prospectus or any of those documents were incomplete or altered.

If an Application Form is not completed correctly, the Company may, in its discretion, still treat the Application Form to be valid. The Company's decision to treat an acceptance as valid, and how to construe, amend or complete the Application Form, will be final.

The distribution of the Prospectus in jurisdictions outside Australia may be restricted by law and persons who come into possession of the Prospectus should seek advice on and observe any of these restrictions. Any failure to comply with such restrictions may constitute a violation of applicable securities laws. The Prospectus does not constitute an offer of New Options in any jurisdiction where, or to any person to whom, it would be unlawful to issue in the Prospectus.

No Advice

Nothing contained on this website or in the Prospectus constitutes investment, legal, business, tax or other advice. In particular, the information on this website and in the Prospectus does not take into account your financial or investment objectives, financial situation or particular needs. In making an investment decision, you must rely on your own examination of the Company, the securities being offered for and the terms of the offering, including the merits and risks involved. You should consult your professional advisers for investment, legal, business, tax or other advice.

Persons to whom Offers are available

For legal reasons, the electronic version of the Prospectus accessible through this website is available to persons accessing this website from within Australia only. If you are accessing this website from anywhere outside Australia, please do not download the electronic version of the Prospectus.

The Prospectus does not constitute an offer, or invitation to apply for, of securities in any jurisdiction where, or to any person to whom, it would not be lawful to issue the Prospectus or to make the offer or invitation. It is the responsibility of any applicant outside Australia to ensure compliance with all laws of any country relevant to their applications, and any such applicant should consult their professional advisers as to whether any government or other consents are required, or whether any formalities need to be observed to enable them to apply for and be allotted any securities.

It is not practicable for the Company to comply generally with the securities laws of overseas jurisdictions having regard to the number of overseas shareholders, the number and value of securities those shareholders would be offered and the cost of complying with regulatory requirements in each relevant jurisdiction. Accordingly, the offer pursuant to the Prospectus is only being extended and securities will only be issued to shareholders with a registered address in Australia.
